The above schedule is a guideline for when you can expect shipment. However, **unforeseen circumstances may force us to alter this schedule. All dates are subject to change.** Please consult with your Customer Service Representative if you need to schedule a special delivery day or time. Any special delivery request, including times and dates, will incur an additional charge

## CARE & MAINTENANCE

For Plantscapes clients with an Interior Maintenance contract, the maintenance fee for your Poinsettias for the Holiday Season is \$3.00 per plant. This covers care through the month of December.

For an additional fee of \$1.50 per Poinsettia, we will add "Hortiwool." This product helps plants retain constant moisture. It is a practical and economical solution for the care of your seasonal plants.

**PLEASE NOTE : Maintenance of Poinsettias is offered only to clients who have an existing Interior Plant Maintenance contract with Plantscapes, Inc.** If you do not have an Interior Maintenance contract, you may arrange special care and maintenance for your Poinsettias by calling your Customer Service Representative at (206) 623-7100. **Maintenance is NOT available for 4" Poinsettias.**

We will make sure your Poinsettias look their best throughout the Holiday Season. However, because Poinsettias can easily be damaged by improper care and handling, Poinsettias not maintained by Plantscapes cannot be guaranteed. In addition, custom colored Poinsettias cannot be guaranteed for longevity.
